

March 2010

Dear Parents,

This letter is as a follow-up to the communication we sent last week regarding the plan to open a high school next year. A special City Council meeting has been called for **Tuesday March 9th at 5:30 pm** (meeting to start immediately after the Committee of the Whole) to vote on the proposal. We are urging you to attend the meeting to demonstrate your support. Now more than ever, it is critical that Council members know where the community stands on this issue as they prepare to take action.

We appreciate the many KGCS parents who have come out in support of the proposal to date and ask you to continue your support as we near the finish line.

If you are unable to attend the meeting please contact City Council members to express your support for this badly-needed school. The email addresses of all our Council members are:

jwaldman@cityofhomestead.com
jburgess@cityofhomestead.com
wlobos@cityofhomestead.com
emaldonado@cityofhomestead.com
sshelley@cityofhomestead.com
jwilliams@cityofhomestead.com

Thank you for your time and attention, as well as for your cooperation, assistance, and support in this vital matter.

Sincerely,

Robin Sandler
