Course Descriptions

In 7th Grade Mathematics you will begin exploring basic algebra and geometry concepts. Throughout the year you will learn how to simplify expressions; solve equations; solve real life problems using expressions; draw, construct and describe geometrical figures; analyze proportional relationships and use them to solve real world problems; use random sampling to draw inferences about a population; and apply and extend previous understandings of operations with fractions to add, subtract, multiply and divide rational numbers.
**Materials**

- Computer/Tablet
- Paper and pencil
- Headphones
- Springboard Textbook
Assignments

All students will be engaged and actively involved in the learning process via collaborative activities, solving word problems and practice exercises, whole group and small group discussions, reflection activities, tests, quizzes, class work and homework assignments.
Online Platforms

Due to COVID-19 students will be completing their assignments using technology. Phones, tablets or computers will work to complete online assignments. The online platforms that we will be using are: Google Classroom, SpringBoard, Khan Academy, USA Test Prep and Zoom.
Classroom Norms

- Be on time for class.
- Respect the teacher.
- Respect classmates.
- Stay on task.
- Complete assignments.
Classroom Procedures

- Complete bell work while waiting to be admitted to class.
- Keep your video on during class.
- Mics muted when not speaking.
- Wear your Keys Gate uniform shirt.
- Sit at a table upright and ready to learn.
- Ask before leaving to use the restroom.
- Turn off video and mic if you need to use the restroom.
**Policies**

**Tardiness** will be recorded, and parents contacted.

If you do not attend the Zoom meeting you are **absent**.

If you leave the class and do not return within 5 minutes you are considered **skipping**.

It is the student's responsibility to **request and turn in** makeup work within 5 days of last absence.
